Projects

Entropy

April 2015 to Present

Members: Suhrd Joshi, Aman Bahuguna

A truly awesome board game that we collectively had a lot of fun while making and testing it. Kind of like a modern-day version of Snakes & Ladders - only much more cooler (what else can you expect in the vastness of space?) with a bit of strategy mixed in.

Boleytoh

March 2015 to Present

Members: Suhrd Joshi

An online platform for every lyric. Where people - be it fans, explorers, artists or critics - flock and participate in a conversation that increases everyone's knowledge of the divine form of expression that is music.

Zeitgeist

February 2015 to Present

Members: Suhrd Joshi, Aman Bahuguna

Researched on how telecommunication as a domain has evolved over the years, and analyzed the societal trends that it represents from inception through its existence. Analyzed the semiotics of each artifact for society and individuals, and proposed visions for what may happen in the coming times.

Experience

Design Consultant at Pune International Incubation Center

September 2014 - Present (1 year 2 months)

Managing the production, iteration and maintenance of all creative assets for the organization and its initiatives, and a team of highly creative people for the same.

Student Ambassador at Google

August 2014 - July 2015 (1 year)

Worked as a point of contact between the company and the college campus. Was chiefly involved in conducting various workshops and programs aimed at developing skills and knowledge in the areas of Android / Cloud Computing / Digital Marketing.

Student Ambassador at MakerFest

November 2014 - January 2015 (3 months)

Promoting a highly enthusiastic maker culture in the campus and fostering a pool of talented and knowledgeable people who love to build and get things done.

Content Writer at Oreanz Management Services

September 2012 - October 2012 (2 months)

Produced a number of original articles of the highest quality for publishing, almost on a nightly basis, after thoroughly researching the relevant topics, while adhering to the word limit.

Volunteer Experience

Volunteer at Typoday

March 2014 - Present (1 year 8 months)

Typography Day is an International Conference on Typography and was held for the seventh time on February 28, 2014 - March 2, 2014 at Symbiosis Institute of Design, Pune in collaboration with Industrial Design Centre (IIT Bombay). My job was to facilitate the coordination of various activities for making the event a success - be it hospitality, technical support, documentation or more.

Honors and Awards

Second place at the zonal level in the Director's Cut (cinematography) event while participating in IndiaFest in 2014. First place in the GenQ (quiz) event and third place in the Jam (extempore) event at the zonal level in 2013. And second place at the zonal level for the Campus Stud (personality) event for the same in 2012. Second place in a virtual stock market competition organized by Indian Institute of Technology - Guwahati during their annual festival - Technothon 2010.
