Motivated by passion, driven by design

As a student of Design, I am taking initial steps to be a part of the industry. I have a passion to make designs that are beautiful, usable and intuitive. My mission is to keep learning, be creative, update skills and take affordable risks. Being a multitasker who is ambitious as well as pragmatic, I see myself evolving as an efficient professional.

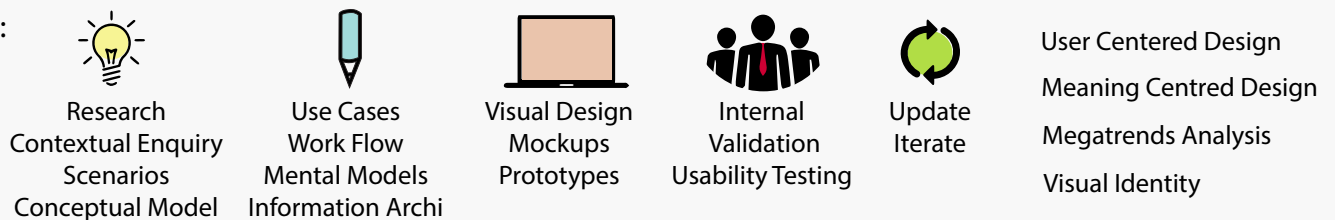

Co-curricular Activities:

Co-led the team behind Chhap, 2014.
Volunteered at Typoday, 2014.

Participated in UX India Conference, Bangalore, 2014.
Attended Workshops at Start Up Village, Kochi, 2014.
